EXPERIENCE

iOS Engineer   *04/2021 – 06/2024*
Union Investment Real Estate Digital GmbH

Contributed to the development of a cross-platform app for a digital tenant ecosystem, facilitating features for booking parking and workspaces.

Technologies: Swift, SwiftUI, Dart, Flutter, GitLab, Codemagic, Xcode, Jira

Frontend Engineer   *06/2019 – 03/2021*
XING GmbH & Co. KG

Contributed to the development of a web based single page application for buying the "Premium" product of the XING job plattform as an end-user.

Technologies: React, Javascript, Typscript, Ruby, Ruby on Rails, GraphQL

Web Frontend Developer   *05/2018 – 05/2019*
Spiegel TechLab GmbH

Contributed to the development of a modern single page application for the 'Spiegel NextGen' project, a major relaunch focused on enhancing the digital presence of Spiegel Online, Spiegel, and bento.

Technologies: vue.js, Typscript, Javascript, GraphQL, statamic, Tailwind

EDUCATION

Apple Developer Academy @Unina Federico II   *09/2024 - 06/2025*

The Apple Developer Academy is a partnership between the University of Napoli Federico II and Apple. Training at the Academy is aimed at developing apps for the world's most innovative and vibrant app ecosystem. The program focuses on software development, startup creation, and app design with an emphasis on creativity and collaboration.

Debeka Krankenversicherung   *08/2012 - 06/2015*

State-Certified IT Management Assistant (German vocational qualification equivalent to a combination of IT and business administration)

PROFESSIONAL DEVELOPMENT

Kodeco iOS Accelerator Bootcamp   *08/2023 - 11/2023*

Awarded 'Top Student' for outstanding skills in SwiftUI, networking with URLSession, concurrency, and data management. Completed a major capstone project, leading to a successful final presentation and releasing the app to TestFlight.
